

## **Regulation (EC) No 1907/2006 REACH Statement**

The Dwyer Instruments, Inc. review of Regulation EC 1907/2006 (REACH – Registration, Evaluation, Authorization and Restriction of Chemicals) and response are based on REACH Article 7 and Article 33.

### *Article 7*

#### *Registration and Notification of substances in articles*

1. Any producer or importer of articles shall submit a registration to the Agency for any substance contained in those articles, if both the following conditions are met:
  - (a) the substance is present in those articles in quantities totalling over 1 tonne per producer or importer per year;
  - (b) the substance is intended to be released under normal or reasonably foreseeable conditions of use.

With respect to Article 7: Dwyer Instruments, Inc. is a manufacturer of “articles,” not “substances” or “preparations,” and these articles do not involve the intentional release of substances. Therefore there is no registration, pre-registration or Authorization requirement for Dwyer Instruments, Inc. products.

### *Article 33*

#### *Duty to communicate information on substances in articles*

1. Any supplier of an article containing a substance meeting the criteria in Article 57 and identified in accordance with Article 59(1) in a concentration above 0,1 % weight by weight (w/w) shall provide the recipient of the article with sufficient information, available to the supplier, to allow safe use of the article including, as a minimum, the name of that substance.

With respect to Article 33: based on a review of all Dwyer Instruments, Inc. products and information available from its suppliers, Dwyer Instruments, Inc. states that its products are free from any substances of very high concern listed on

REACH SVHC list dated January 15, 2019.

or are only present in quantities below all reportable limits. The articles we provide are compliant to restrictions on substances listed in Annex XVII of REACH.

Dwyer Instruments, Inc. will continue to monitor the Regulation and to review our new products, which may require us to make future changes to this statement.

On behalf of Dwyer Instruments, Inc.
