The Series DCT1000DC Dust Collector Timer Controller simplifies on-demand cleaning requirements in low voltage applications by eliminating the need for external devices such as pressure switches, relays, and timers. The modular design allows for use as a continuous cleaning control or on-demand cleaning control using the optional plug-in pressure module. The DCT1000 is the same size for 6, 10, and 22 channels, allowing one board size to be the standard on one enclosure.

**FEATURES/BENEFITS**
- 10 to 30 VDC power requirement for low voltage applications
- Standard mounting holes to other dust collector controllers for use in existing installations
- Able to automatically detect any channel expander connected

**APPLICATIONS**
- Dust collection
- Pneumatic conveying

**SPECIFICATIONS**

**DCT1000DC TIMER CONTROLLER**
- Output Channels: 6, 10, & 22 channels.
- Power Requirements: 10-30 VDC.
- Solenoid Supply: 3 A maximum per channel.
- Fuse: 3 A @ 250 VAC.
- Temperature Limits: -40 to 140°F (-40 to 60°C).
- Storage Temperature Limits: -40 to 176°F (-40 to 80°C).
- On Time: 10 ms to 600 ms, 10 ms steps.
- Off Time: 1 s to 255 s, 1 s steps.
- On Time Accuracy: ±10 ms.
- Off Time Accuracy: ±1% of the value or ±50 ms, whichever is greater.
- Weight: 1 lb 3.0 oz (538.6 g).

**DCP PRESSURE MODULE**
- Pressure Ranges: 10 in w.c. or 20 in w.c.
- Temperature Limits: -40 to 140°F (-40 to 60°C).
- Pressure Limit: 10 psi (68.95 kPa).
- Pressure Limit (differential): 10 psi (68.95 kPa).
- Accuracy: ±1.5% FS @ 73°F (22.8°C).
- Output Signal: 4-20 mA.
- Alarm Contacts: 1.5 A inductive load, 3 A resistive load @ 30 VAC or 40 VDC.
- Process Connections: Two barbed connections for use with 1/8˝ (3.18 mm) or 3/16˝ (4.76 mm) ID tubing.
- Weight: 5.5 oz (155.9 g).
- Agency Approvals: CE.

**OPTIONS**

To order add suffix: Description Price
- WP Weatherproof housing only +$240.00
- WPP Weatherproof housing with pressure ports +$271.00
- WPSP Weatherproof housing with pressure ports, three position rotary switch installed +$380.00
- EXPL Explosion-proof housing +$2509.00
