

Restriction of Use of Hazardous Substances (RoHS)

Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011

Dwyer Instruments, Inc. certifies that to the best of its knowledge the Series Mark Position Indicator / Switch / Transmitter meets the substance restrictions of the European Union's Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011, on the restriction of the use of certain hazardous substances in electrical and electronic equipment. Meeting the restrictions means it does not contain any of the following substances in excess of the maximum concentration values in any homogeneous material, unless the substance is in an application that is exempt under the Directive: (a) 0.1% by weight for lead, mercury, hexavalent chromium, polybrominated biphenyls, or polybrominated diphenyl ethers, or (b) 0.01% by weight for cadmium. Unless otherwise stated by Dwyer Instruments, Inc. in writing, this information represents Dwyer Instruments, Inc. knowledge and belief based upon information provided by third party suppliers and internal research.

Compliance covers:

Standard Series Mark catalog numbers and configured models of the same catalog number form, Series Specials beginning with 16XXXX, 17XXXX, and 19XXXX, Replacement parts.

Compliance applies to product manufactured on or after December 1, 2016, Date Code _50AB, except compliance applies to models containing H and I switch options, and models containing SV1 and SV2 solenoid valve options manufactured on or after July 31, 2020, Date Code _31AF.

On behalf of Dwyer Instruments, Inc.,

Dwyer Instruments, Inc. Compliance Group

Date: July 31, 2020
